

Because You Deserve the Best

Effective Stages of Transcription

In a nutshell

Because You Deserve the Best

Transcription (the prefix “trans-” meaning “change” + the root “scribe” meaning “to write”) is the process of converting speech from an audio or video recording into text.

Benefits of Transcription:

- It helps you retain words and message better
- It facilitates your understanding of sentence structures
- It helps you expand your working memory
- It helps keeping a high accuracy
- It helps understanding native voices at normal speed
- It develops effortless active listening skills
